

**NOMINATE
SOMEONE DESERVING
TO BE RECOGNIZED**

DEADLINE TO SUBMIT: SEPTEMBER 17, 2021

Nominate someone you know for an award that will be presented at our Annual Awards Dinner on Saturday, October 16, 2021 at 6:30 pm at the TWA Hotel, JFK Airport.

AWARD DESCRIPTIONS

New York School Bus Contractors Association Award

> DISTINGUISHED SERVICE AWARD

NYSBCA recognizes one or more members each year under the category of Distinguished Service. This category is to recognize school bus contractors, suppliers, and/or manufacturers for significant, substantial, and special contributions made in the industry. The NYSBCA Awards Committee invites you to nominate your colleague(s) for this special award. Winners will join us for our awards dinner and receive a commemorative plaque.

Roger Weeks Scholarship Award

> NEW YORK'S CONTRACTOR OF THE YEAR AWARD

The Roger Weeks Scholarship Award is considered one of the highest honors NYSBCA bestows on a member. It is presented to New York's Contractor of the Year and is a scholarship offering a \$1,000 contribution (\$500 from the Association and \$500 from the contractor company) to one of the contractor's school districts of choice.

Heart of the Industry Awards

**> DRIVER OF THE YEAR
> OFF-ROAD EMPLOYEE OF THE YEAR**

Reichenbach Enterprises created this program on behalf of NYSBCA to honor exceptional employees of our members who have served our industry with distinction. Awards are presented to individuals who epitomize quality of service in and outside the school transportation industry. These employees add to the quality of life in New York State by giving more than is expected from them to work and community. Our Association is aware that it is the mix of both "on the road and off-road employees" who make our school transportation operations successful. This award recognizes the extraordinary importance of both categories of the employee. Winners and a guest of their choice will join us for our awards dinner, receive lodging for the evening and breakfast the following morning. The Employer will assist with additional travel arrangements for award winners. Each winner will receive a Heart of the Industry plaque, and \$100 will be donated in the winner's name to the charity of his or her choice – all sponsored by Reichenbach Enterprises. Only one award will be presented in each category.
